  Khejuri Adarsha Vidyapith (WBCHSE)
  Percentage: 74.6
- **Secondary** (2015 - 2021)
  Khejuri Adarsha Vidyapith (WBBSE)
  Percentage: 77.57

PROJECTS

- **Online Voting System**
  https://github.com/Sandip-2005/Online_Voting
  - Built a full-stack web application for managing digital elections.
  - Created separate Admin and Voter dashboards.
  - Admin can create elections, manage candidates, and publish results.
  - Displays live vote counts, percentages, and rankings.
  - Tech Used: PHP, HTML, CSS, Bootstrap-5.3, JavaScript, MySQL
- **E-Billing**
  https://github.com/Sandip-2005/E-Billing.git
  - Laravel Full-Stack Development: Developed a comprehensive web-based billing system using the Laravel MVC framework.
  - Digital Invoicing: Built a feature-rich module to generate, manage, and export professional PDF invoices.
  - Inventory Tracking: Created a real-time stock management system with automated low-stock alerts.
  - Secure Authentication: Integrated a secure user portal featuring OTP verification and encrypted login systems.
  - Automated Notifications: Implemented an automated mailing system to send digital receipts directly to customers.
  - Database Management: Designed relational database schemas to efficiently organize product, payment, and customer data.
  - Tech Used: PHP (Laravel), HTML, CSS, Bootstrap-5.3, JavaScript, MySQL
